

TRUSTFUL, PASSIONATE,  
NOURISHING, HARD WORKER

# Advanced Medical Communication & Patient-Centered Counseling

*Good medicine starts with great communication.*

## What You'll Learn:

- Break bad news with compassion and clarity
- Use motivational interviewing to boost adherence
- Master shared decision-making and conflict resolution

## Why Attend:

Patients remember how you made them feel—not just what you prescribed. Improve satisfaction, outcomes, and your own job satisfaction.
