# Welcome Message

Dear Colleagues and Friends, after the massive success of our meetings and workshops in the last years, as per your feedback, we will restart in 2023, with more hot topics, exciting programs, latest research and new destinations.

On behalf of the meeting board, speakers and organizers, we welcome you all, from the four corners of the Arab world, The Greater Maghreb, The Fertile Crescent, and The Arabian Peninsula, to this most interactive, scientific, educational and social meeting 2023.

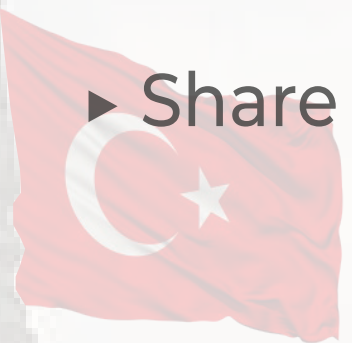

A Consortium of Regional experts in the field of pediatrics, orchestrating some studies, clinical cases, recent guidelines, practical hints, on the board of the most romantic river in the world the Bosphorus, don't miss this Symphonie of science, color and sounds.

TPNH2Group

# Course Objectives

- ▶ Learn, Analyze and Investigate the recent and upcoming trends.
- ▶ Meet Regional Experts and discuss with them there and your points of view.
- ▶ Gain innovative ideas for your daily practice and your future challenges.
