

**TPNH2
Group**

**SECOND
MIDDLE EAST
CARDIAC CARE
WORKSHOP**

**19,20 MAY 2023
DUBAI**

UEMS ACCREDITATION

◆ Chairpersons

Prof. Elie Chammas
Clemenceau Medical Center

Prof. Tony Abdel Massih
Hotel Dieu de France

◆ Scientific Program

19 May 2023

Heart Failure with Reduced Ejection Fraction

- 9:00 – 9:30 Multimodality imaging to diagnose HFrEF
- 9:30 – 10:00 Angiotensin-Receptor-Neprilysine Inhibitor (ARNI) in the treatment of HFrEF, A real miracle Drug?
- 10:00 – 10:30 Sodium Glucose Transporter 2 Inhibitors: 'Love story' between Diabetes and Heart failure treatments
- 10:30 – 11:00 Coffee Break

Heart Failure with preserved Ejection Fraction HFpEF

- 11:00 – 11:30 HFpEF: Physio-Pathology of a complex syndrome
- 11:30 – 12:00 From Successive treatments' failure to the Success: Role of SGLT2 Inhibitors
- 12:00 – 12:30 Acute Heart Failure: From Diuretics to Novel concepts.
- 12:30 – 1:00 Classical Clinical Example of HFpEF: The Cardiac Amyloidosis
- 1:00 – 2:00 Lunch Break

Invasion of the Invasive Procedures

- 2:00 – 2:30 From Balloons to "Intelligent" Stents
- 2:30 – 3:00 TAVI: When a French Idea became an International Revolution
- 3:00 – 3:30 What is new in the Invasive treatment of Mitral and Tricuspid valves' Diseases?
- 3:30 – 4:00 Coffee Break

◆ Scientific Program

20 May 2023

Diabetes: Past and Present

- 9:00 – 9:30 Metformin from a banned Drug to a First line treatment
9:30 – 10:00 in Type 2 Diabetes.
T2DM: Why did the guidelines change so rapidly
- 10:00 – 10:30 100 Years since the Discovery of Insulin
- 10:30 – 11:00 Coffee Break

Nephrology: “I Want to protect my Kidneys!”

- 11:00 – 11:30 Why early diagnosis of CV/Renal risks T2DM
- 11:30 – 12:00 CKD: when to use SGLT2is and when not to?
- 12:00 – 12:30 How can blocking the Angiotensin System will
12:30 – 1:00 protect our Kidneys?
SGLT2 Inhibition: Outcomes in patients with CKD
- 1:00 – 2:00 Lunch Break

Dyslipidemia: From Statins to RNA

- 2:00 – 2:30 History of Dyslipidemia Treatments: From Failure to
Cardio-Renal-Metabolic Protections
- 2:30 – 3:00 Why the war against Statins?
- 3:00 – 3:30 The future Is Present: mRNA for the treatment of Dyslipidemia's
- 3:30 – 4:00 Coffee Break

◆ Target Audience

Cardiologist

Internist

Endocrinologist

General Practitioner

Nephrologist

ICU &CCU Nurses

◆ Registration Fees

550 USD per attendee.

Group registration is available.

Please send your Inquiry to:

info@tpnh2group.net

tpnh2group@gmail.com

◆ Benefits

All meeting participants will benefit from:

- a. Access to all scientific sessions.
- b. Access to coffee and lunch breaks as indicated in the program.
- c. Session material that can be sent by email upon request.
- d. Certificate of Attendance, with CME Credits.
